The new transfer rule, as amended, would read as follows:

Article V – Eligibility of Athletes

K. Transfers – After his/her initial enrollment in a secondary school, as provided for in Article V, Section 4.G (2) of the Bylaws, a student-athlete is subject to the following transfer rules:

1. A student-athlete who transfers from one secondary school to another because of a bona fide change of residence by his/her parents or guardians, or through assignment by the Board of Education, becomes eligible to represent his/her new school immediately upon entrance unless recruitment or transfer for athletic advantage is alleged and provided all other eligibility regulations are satisfied.

Both the former and new school must complete a transfer form affirmatively stating that the transfer is a bona fide change of residence and that there was no athletic recruitment or a transfer for athletic advantage.

A bona fide change of residence takes place when:

- a. The parent/guardian moves with the student from one public high school district to another public high school district;
- b. The parent/guardian completes an affidavit or certification with proof of the new residence:
- c. The change of residence must have occurred on or before the following dates: July 1, to be immediately eligible to participate during the Fall sports season; October 1, to be immediately eligible to participate in the Winter sports season; and February 1, to be immediately eligible to participate in the Spring sports season; and
- d. The new residence may not be associated with, leased, or provided by anyone associated with the school or acting at the direction of the school, including but not limited to administration, staff, coaches, students, parents, booster clubs, or any organization having a connection with the school.

The form of the affidavit or certification shall be approved annually by the Executive Committee. The affidavit or certification must be filed with the new school and be available to the NJSIAA upon request. Any school official with actual knowledge that the affidavit or certification is false may be subject to punishment as set forth in Article X

The affidavit or certification must be accompanied by proof of the new residence. Such proof shall include at least two of the following: (i) a New Jersey driver's license or non-driver's identification showing change of address; (ii) mortgage or lease documents; (iii) utility bills; (iv) voter registration; (v) bank statement; (vi) homeowner's insurance or renter's insurance; or (vii) any business record or document issued by a governmental entity.

The term "guardian" refers to that person who has control over the person and property of a child as established by the order of a court of competent jurisdiction. A student who becomes emancipated shall be deemed not to have made a bona fide change of residence.

Note: To provide ample notice to schools and families, the July 1 deadline for a bona fide change of residence set forth in paragraph c. above shall not be applicable in 2019. All other requirements will take effect 20 days after approval, unless determined otherwise by the Commissioner of Education.

Note: If you would like to review the 2018-19 version please refer to page 51 of last year's bylaws.

# Special Education Medicaid Initiative (SEMI) Parental Consent Form

Our school district is participating in the Special Education Medicaid Initiative (SEMI) program that allows school districts to bill Medicaid for services that are provided to students. In accordance with the Family Educational Rights and Privacy Act,34 CFR §99.30 and Section 617 of the IDEA Part B, consent requirements in 34 CFR §300.622 require a one-time consent before accessing public benefits.

This consent establishes that your child's personally identifiable information, such as student records or information about services provided to your child including evaluations, and services as specified in my child's Individualized Education Program (IEP) (occupational therapy, physical therapy, speech therapy, psychological counseling, audiology, nursing and specialized transportation) may be disclosed to Medicaid and the Department of the Treasury for the purpose of receiving Medicaid reimbursement at the school district.

As parent/guardian of the child named below, I give permission to disclose information as described above and I understand and agree that Medicaid may access my child's or my public benefits or public insurance to pay for special education or related services under Part 300 (services under the IDEA). I understand that the school district is still required to provide services to my child pursuant to his or her IEP, regardless of my Medicaid eligibility status or willingness to consent for SEMI billing I understand that billing for these services by the district does not impact my ability to access these services for my child outside of the school setting, nor will any cost be incurred by my family including co-pays, deductibles, loss of eligibility or impact on lifetime benefits.
