

# AP Government and Politics Summer Test Assignment

**Due Date:** 09/06/2024

**Purpose:** Supreme Court cases are necessary for students to understand significant legal precedents and may serve as the focus of AP Exam questions. The following list represents College Board's required Supreme Court cases in the content outline.

**Directions:**

1. Research the following cases and complete the graphic organizer. Make sure to fill out each section completely. This assignment will be used throughout the school year. I would recommend using this [website](#).
2. After you have completed the chart below, you will write a 2-3 page paper answering the following question: *Do Supreme Court Case rulings infringe on American rights or provide more freedoms?* Be sure to reference at least 2 supreme court cases below and 1-2 of your own supreme court cases through outside research. You will use them to corroborate your response. It will be turned in through turnitin.com on the first day of school. Please see the rubric below for more details.
